This Report is not a guarantee, valuation or appraisal and contains characteristics of the diamond described herein after it has been tested, examined and analyzed by the laboratory providing this ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Inscriptions reported in this document are not a guarantee, validation, or warranty of a diamond's quality, country of origin or source; or that the diamond be identifiable by the inscription in the future (since inscriptions may be removed). GIA makes no representation concerning any trademark or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed gemologist about the information contained herein.

The security features in this document, including the hologram security screen and microprint lines, in addition to those not shown, exceed diamond security industry guidelines.
