This Report is not a guarantee, valuation or appraisal and contains only characteristics of the diamond described herein after it has been graded, tested, examined and analyzed by the laboratory providing this Report ("GIA") and/or has been inscribed using the techniques and equipment used by GIA at the time of the examination and/or inscription. Incriptions reported in this document are not a guarantee, validation, or warranty of a diamond's quality, country of origin or source; or that the diamond is identifiable by the inscription in the future (since inscriptions can be removed). GIA makes no representation concerning any trademark, word or symbol which is inscribed by GIA or which is identified on this Report. The recipient of this Report may wish to consult a credentialed jeweler or gemologist about the information contained herein.

 The security features in this document, including the hologram, security screen and microprint lines, in addition to those not listed exceed document security industry guidelines.
